and

SCHOOL YEAR 2018-2019: October, 2018, through May, 2019

We provide positive peer interactions and social skill building to grow self-confidence, self-esteem, and connection.

- *Does your child want to make friends but struggles to do so?*
- *Does your child make friends but have trouble keeping them?*
- *Does your child "march to the beat of his or her own drum?"*
- *Is your child socially anxious?*

For **information** or to **schedule a placement evaluation** contact us via the Contact link at [www.KidsOnUp.com](http://www.KidsOnUp.com) or by phone at 919-240-5548 (dial 1 for Guys' Groups; dial 3 for Girls' Groups).

Evaluation and group sessions are covered by most **Medicaid** programs and typically **insurance reimbursable** as "out of network" with private insurers. **\*Please note:** *these groups are NOT appropriate for children who struggle with physical aggression, running away, or who have significant verbal delays.*
