

Solomon Kobes, LCSW
Kids On Up Psychotherapy

Willowcrest Building
101 Conner Drive, Suite 203
Chapel Hill, NC 27514
Solomon@KidsOnUp.com

Kids On Up Psychotherapy is a private, outpatient mental health practice serving all ages, with a special focus on school-age children and adolescents and their families, young adults, and adults with developmental disabilities. We commonly treat ADHD, autism spectrum disorders, mood and anxiety disorders, and offer help through difficult transitions. We run multiple social skills therapy groups year round.

Psychotherapists begins as Contractors, with salary based on billed client hours. Once 18+ hours/week are achieved, Psychotherapists may shift from Contract to Employee status and enjoy additional benefits. Supervision for LCSWAs is included.

Responsibilities:

- Clinician will practice individual and group outpatient psychotherapy.
- The clinical position requires that the employee stay within network and uphold appropriate certifications with NC Medicaid insurance plans.
- Clinician will be expected to prepare and maintain all required treatment records and reports and ensure that all records meet health insurance standards of medical necessity.
- Clinician will be expected to maintain confidentiality of records relating to therapist-client relationship and follow standards for all federal HIPAA compliance.
- Clinician is also responsible for maintaining positive client relationships and keeping clients as long as clinical needs suggest.
